THANK YOU!

Thanks so much for getting in touch with me and booking in your newborn photos, this is a very special gift, for not only yourself, but your little humans. In years to come, these memories are all they will have of you, and they will be forever cherished.

As a photographer, I adore capturing the raw, unabashed connection between families, particularly mothers and their children, embracing the essence of motherly love.

Why I can't wait to document your family

From stolen glances to cheeky kisses and big belly laughs, I'll be there documenting every heart felt moment (and all the fun bits). I'll even make sure to snap authentic moments that may've slipped by unnoticed - there're the best ones!

I'm not the sort of photographer that will ask you to look and smile at the camera. My style is about connection and authentic moments. I want you to really feel the love you have for your little ones when you look back on your gallery of images. I want your children to see just how much you love them.

Hand on heart, every ounce of my energy will go towards creating a gorgeous collection of images to forever memorialise your day. When you look through the photos memories will come to life and it'll be as though you're right there doing it all over again.

HI, I'M EDEN

A creative soul with a love for romance.

I have always been creative minded and had a deep love for true connection between humans, the unabashed real type of connection. I believe, at the end of the day, these true moments, even the smallest ones, are what mean the most.

Having children is full of bitter sweet moments, they grow in the blink of an eye. This is the last time they will be this little. Tomorrow they will be the slightest bit bigger, without you even noticing. I get to stop time and hand memories onto you to be remembered forever.

KIND WORDS

I had a real block around photos but as I followed you along on Instagram I could see that you were able to capture something really beautiful in each person - you have a knack for getting literally everyone to look radiant & making the most of that golden light! And there's a genuine art to your photography that I just couldn't get from what I saw in others' family photos.

Initially I thought; if I get one good shot in the gallery I'm satisfied enough with to put on the wall then: Great! But we have so many we're struggling to choose!! Eden you have a natural, soft manner and intuitive way of making us feel comfortable and at ease. We can't thank you enough

FAQ

Where are you based?

I'm based in Portland, Victoria, but I travel all over the place.

Do you photograph out of Portland?

i travel to surrounding towns often, so yes absolutely. Chat to me about where and when and I can send you a travel quote.

When do I pick a package?

You can pick before your session, or after gallery delivery. This way there's absolutely no obligation. I am confidant you will love all your images, but if your anxious about how many to choose, theres no rush. You can do this when you open your gallery.

How long do I have to choose my image collection

You have 3 days to choose. Once you have decided, I'll send through an invoice and the gallery will open to download once paid.

How many photos will I receive?

A full session has anywhere between 80-150 images. Depending on where we went, what activities we did while at the session.

How will I receive my photos?

If you have chosen the diamond package, I will send you a handful of sneak peeks to your email. If not you will recieve tyour full gallery in 2-3 weeks post your session.

How long will it take to receive our photos?

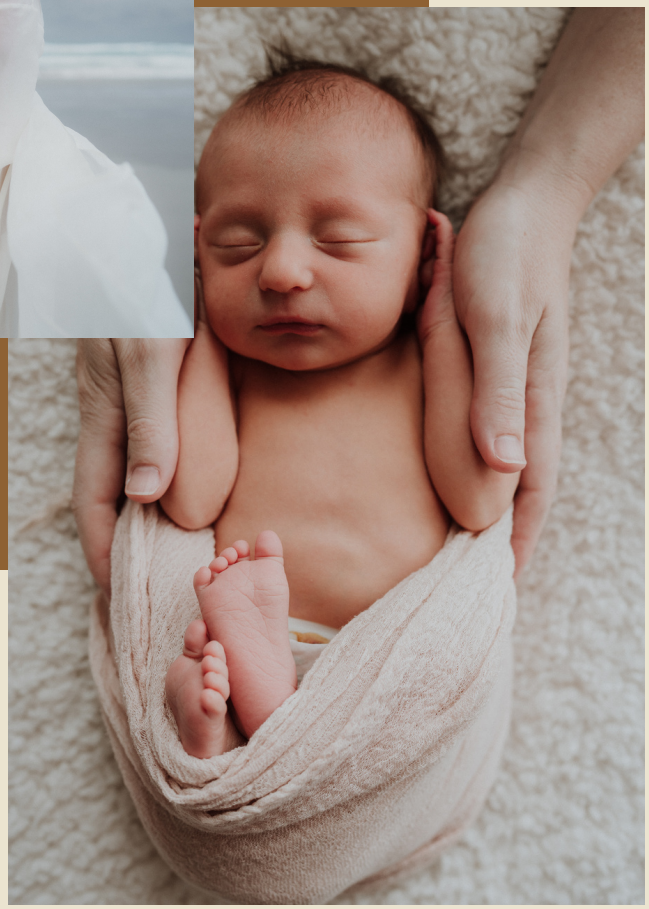
It will take roughly 2 to 3 weeks to receive your photos. I put a lot of love and care into perfecting each image, which is why it'll take me a little bit more time to deliver your final images. If you'd like your photos sooner, please ask me about the rush fee.

We don't want our photos on social media

If you are uncomfortable with your photos being shared on my social media platforms, I will respect that. I always ask in the questionnaire, pre shoot.

What happens if disaster strikes?

Sometimes things happen out of our control. If so I will be sure to find you another date. Sometimes this will include a reschedule fee.



Do you have a payment plan?

Yes, we can organise to split your payments into four installments. Just let me know if this would suit you.

Can I print my photos?

Of course, I'd love for you to print your favourite photos! You can easily order photos prints through your online gallery or use a printer of your choice.

What if I have to cancel or move my booking?

Life is complicated and the unexpected is to be expected. The deposit is non refundable as this helps to protect my business due to turning away all other booking for your date. I hope you understand that deposit is insurance for my business to stay afloat in the event of a cancellation.

Do you have any vendors you recommend?

Yes, from years of experience in the photography industry I have come to work with some of the top vendors. I will send a list of some of the stand out vendors.

If you would like a specific recommendations, just reach out and I'm sure I will have some suggestions I can send you.
